ABOUT ME

My name is Andrey, I'm originally from Ukraine. Currently, I reside in Wrocław, Poland, and I am open to relocation. I am a developer with a deep interest in web development, dedicated to continuous learning and growth in this field. My strengths include attention to detail and the ability to solve a variety of tasks.

EXPERIENCE

I am an experienced freelance Front-End Developer with a strong focus on translating design concepts from software like Figma or Photoshop (PSD) into fully functional HTML and CSS. You can find some examples of my work on my website (link below).
